The Programs

Introduction

Hypnosis Programs - Our hypnosis programs are completely safe and contain voice, nature sounds, positive visualisation, and gentle musical ambience, which enable you to unlock and use the power of your subconscious mind. The programs communicate directly with your subconscious mind and can be used to create all that you desire into your life. These programs do not contain any subliminal message elements

Subliminal Programs - Our subliminal messages programs are completely safe and contain inaudible subliminal messages beneath special nature sounds and gentle musical ambience, which re-programs your subconscious mind to act in accordance with your innermost desires

Empowerment Programs - Our empowerment programs are completely safe and contain only special nature sounds and soothing musical ambience, which work through your subconscious mind to create the results that you desire and visualise. These programs do not contain any voice or subliminal message elements
